

Anthony, Vincent, David and their cousin Michael opened Pazzo's Pizza in 1993. This business is founded by strong and tight family roots, where their Italian background is part of the experience. The food is prepared fresh daily, and everything is homemade: breads, pizza dough, and sauces, from recipes handed down by their grandparents, Antonio and Antonina Vitale, and family. Anthony and David founded this restaurant to honor them. David and his sons continue their work every day to continue carrying on the family legacy.
